

Ten ticks after

HSC

----- Supriya Kumar Chakraborty

Perhaps you will jump up to fulfill dreams of your parents after enviable success in HSC examination. Some want to study medicine, some want to be engineer, some aspire to get admitted into IUB of University of Dhaka ; some prefer to complete higher education out side the country. Being crowded by many dreams and expectations when all friends get the chance in their respective places one after another; perhaps your wish may remain unfulfilled for any mistake of yours. To keep the suggestions of others you were unable to take the right decision at the right time. What you can do for it, it is given in brief below for your convenience. Remember the following advice; it will come handy in future.

- √ After the end of the examination take coaching regularly to get good score in IELTS or Toefl. At present, if you want to get admitted into any good University of any developed country of the World then it is impossible to get admission unless the IELTS or Toefel score (6.5-7.0, 92-104) is satisfactory. If necessary you can complete SAT.
- √ You will procure reference letters of three Professors or Lecturers (they must be related to your department) of your college. In the letter they will recommend you about your all attainments and level of your merit.
- √ Get yourself involved as volunteer in any social or cultural work and collect certificate.
- √ Try regularly to publish article, essay on any contemporary subject in English or Bengali magazine. This will assist you sufficiently to get stipend.
- √ Keep yourself involved with any sports, like chess, cricket, badminton, football. It keeps your body, mind healthy and strong. If necessary, collect certificate.
- √ Keep written statement of purpose in one thousand words on any subject of your choice. All Universities attach importance to this SOP.
- √ Plan about studying abroad after learning well about financial condition of your parents. Do not take decision quickly being assured or relying on the words of any one.
- √ In the age of globalization select subject, program and country after analyzing all aspects about which way the wheels of economy is moving.
- √ Abide by all rules of embassy properly at the time of applying for Visa. Do not forget to write cover letter to Visa Consular.
- √ Take suggestion of an experienced, efficient career consultant to complete nicely preparation for admission, techniques of getting Visa, other important matters after Visa. Take the help of a student consultancy firm after knowing about it well.

It is only a matter of time to acquire American, Canadian, Australian or Swiss degree if you follow carefully above ten tips. Success is bound to come.
